

Seminar on “Private Sector Participation in Port Operation” held

Dhaka, 09 July 2017

In order to extend the participation and contribution of private sector to the port operation a seminar titled, “Private Sector Participation in Port Operation” was held in the university campus. The seminar was organized under the overall arrangement of Faculty of Shipping Administration. Rear Admiral A S M Abdul Baten, the Vice Chancellor, graced the occasion as chief guest. Mr. Zafar Alam Member (Admin & Planning), Chittagong Port Authority and the Head of QMS, Saif Power Tec Ltd presented their papers in the seminar. The chief guest expressed his thoughts that the university is determined to produce skilled manpower and invent new technologies by research and to bring all the maritime stakeholders in a common platform to work together. Different issues relating to port operation, prospects, problems and recommendations were discussed in the seminar.
